Through a partnership with the South Florida Water Management District Hendry-Glades Audubon offers scheduled escorted driving trips at Stormwater Treatment Area 5/6 (STA-5/6) located at the east end of Deer Fence Road located 27 miles south of Clewiston in eastern Hendry County. Trips are limited to 60 participants. Registration is required through Eventbrite link at:

www.hendrygladesaudubon.org

Participants meet at STA-5/6 gate at 8:15 a.m. to form carpools of 4 people to each vehicle. For additional information contact Margaret England, at sta5birding@embarqmail.com or (863) 674-0695 or cell/text (863) 517-0202. Bring the completed liability release form, water, snacks, and lunch. Walkie-talkies are suggested. Donations are accepted by Hendry-Glades Audubon in order to help defray expenses to provide this program. There is year round walking/bicycle public access Friday through Monday except for seasonal Sunday Duck Hunts. Friday van trips including STA 5/6 are offered by reservation through the Clewiston Museum.
